NEW MODEL

MAIL ORDER DEPARTMENT.

The Low Price Wind

is blowing trade our way. Like autumn leaves before a Kansas gale, orders from economically inclined people come tumbling in with every mail. Goods well bought are half sold, any way, and a little printer's ink telling about New Model values and prices does the rest. Don't forget about the goods on which we pay the freight, and be sure to have our price list find you every month.

We Sell Everything.
